Rehabilitation Work on C.T.H. "TT" – Town/City of Waukesha

Waukesha, WIS. – Waukesha County plans to rehabilitate County Trunk Highway (CTH) "TT" (Merrill Hills Road) from CTH "D" (Sunset Drive) to United States Highway 18 in the Town and City of Waukesha.

Construction activities are scheduled to begin June 20 with some local preliminary work scheduled prior to that date. One lane of traffic will remain open on the road through construction areas during all operations. Travel delays will occur and should be expected. Motorists are advised to take alternate routes when possible.

Emergency vehicles and local residents will be able to access all properties within the construction area.

The project involves heat-treating the existing roadway, placing new asphalt pavement and the shoulder replacement.

For more information, please contact Rick Harley, Project Manager with the Waukesha County Department of Public Works at (262) 548-7740.
